Mission

A primary mission of the Student Engineers' Council is to serve as the representative voice for the students within the College of Engineering.

Purpose

This survey exists to embody and communicate the student perspective with the administration of the College of Engineering.

Survey Executive Summary

Survey Response Summary

Open-Ended Questions

Questions labeled "Free Response" allowed for open-ended student responses. These responses were read by members of SEC's Legislation committee and sorted into representative categories.

Productive Feedback

This survey features some questions that focus specifically on students' negative feedback. This is intended as helpful, productive information highlighting areas for improvement.

Part I: Entry Survey

2.5-Week Survey Period October 9 - October 26, 2018

1184 Total Responses 29% of First-Year Student Body

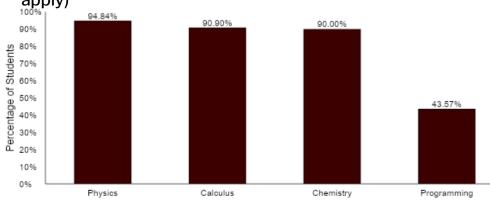

Part II: Exit Survey

2-Week Survey Period March 28 – April 12, 2019

936 Total Responses 25% of First-Year Student Body
